- d) Rob secretly listens to the radio program "Love Songs After Dark"
- e) Rob HATES pecan pie and carrot cake
- f) Rob offered to shave his head for the prom so that Sarah was not the only one without hair? She declined, saying, "SOMEONE should have hair." He secretly wishes he hadn't asked first. (WARNING: Sarah hates it now – because it's been mentioned so often – when people bring up the uncanny resemblance of her life to the song *Skin (Sarabeth)* by Rascal Flatts, but her family and her friends secretly love it and a long time ago a certain Aunt wept and wept when she heard it (and saw the music video) for the first time on TV)
- g) Rob was truly a miracle baby. He had open-heart surgery when he was only four days old. None of the medical experts thought he'd survive. He went back and forth from Primary Children's Medical Center to Portland until renowned pediatric cardiothoracic surgeon, Leonard L. Bailey, M.D (the physician who transplanted a baboon heart into "Baby Fae" which led the way for more neonatal transplantation and advanced the treatment of congenital heart defects), performed the surgery that saved Rob's life at the Loma Linda University Medical Center in California
